

# 3x3 Cash Gifting Program

## Gifts You \$83,700 Each Spot!

**No Sponsoring Required! Don't be left out!  
This is so Red Hot that Everyone wants to get in!**

This is how it works:

You send in a \$20 gift for the Administration Fee to hold your spot in our 3x3 Forced Cash Gifting Program. Each person can reserve up to four personal spots in this program. Your \$20.00 gift will be refunded if 27 spots are not placed on your third level.

When we receive \$20.00 to reserve a spot the computer goes to the first open spot and places your name. If you reserved up to four spots at one time they are placed in consecutive order. As each level fills and when there are 27 spots on your third level, you will be given notice to send a gift of \$100.00 for each spot.

The decision is yours. Failure to gift within 14 days of notice is cause to lose *Your* spot and *Your* \$20.00 administrative gift. **THE PERSON YOU WERE TO GIFT THEN INHERITS YOUR SPOT.**

Each level has three times more spots than the one above. Every 27 new reserved spots triggers a spot six levels above to be gifted.

You will not receive the list of the spots that are going to gift you until there are 27 spots filled under the people who are going to gift you, which is six levels below you. The time this takes depends upon the growth of the 3X3 Cash Gifting Program. Whether you are gifting or receiving you must return the paperwork to Administrative Services within 5 days of the 14-day period or you lose your spot. **NO GRACE PERIOD - NO EXCUSES.**

Once you have gifted your \$100.00 per spot you will not be required to gift again until you have been gifted on your first cycle. (\$2,700 in cash when completed)

Next, you will be directed to send your person a \$500 Gift in cash for each of your reserved spots.

Now the 27 spots on your third level assigned to you, will Each send you a \$500 Cash Gift. That is another \$13,500 in cash.

Then, you will be directed to send a \$2,500 Gift in cash for each of your reserved spots.

Finally, the 27 spots assigned to you, on your third level will Each send you a \$2,500 Cash Gift. This time you will get an amazing \$67,500 in cash.

After you receive your gifts on your third step you may re-enter by sending a \$20.00 gift for administrative fee for each spot you want to reserved.

No matter how long it takes it will definitely be worth the wait. By sharing the program with others it speeds up the process for your gifts.

All Gifts are sent in CASH or MONEY ORDER via UPS, FED-EX, or USPS Priority Mail with confirmation. The money is sent directly from one person to another, without filtering through the Administrator. The Tracking Numbers from the Overnight Packages are given to the Administrator, so they can verify that the gifts have been sent and received. If someone decides to drop out and not continue gifting, they lose the spot. This is absolutely the best run Cash Gifting Program you have ever seen!!!
