

#1 Mailing List

in The World!

We said it and we'll back it up! If you can prove that any other mailing list pulls more orders (from the same offer) than ours, we'll refund DOUBLE what you paid for our list!

Dear Friend,

Stop wasting money by sending your opportunity to old worn-out lists of opportunity seekers, buyers and MLM junkies. These people have already seen every opportunity under the sun. Mail your offer to these type of people and your mailing is guaranteed to fail. Your offer may be just the thing that people want, but if you mail to the wrong type of people, your mailing will not succeed. I know hundreds of people who had a great opportunity and couldn't find success because they were mailing their offer to the wrong people.

The foundation and number one key for any successful mailing depends on the quality of the mailing list you use. We have created a system that automatically pre-qualifies every person as someone who is wanting to join an opportunity that will help them find financial security. You will make more sales and build larger downlines because these leads are pre-qualified. In fact, ***the response to our lists averages over 10%!*** We are so positive that our list will perform for you that we are willing to make this additional offer:

100% MONEY BACK GUARANTEE!

If you do not get over 10% response from your mailing, you will get a full refund!

Our ***Lead Tracer*** weeds out all the unproductive leads - those that just waste your time and money - and provides you with the most responsive leads in the country. If you have an offer that will help people make money, YOU will make money by using our lists! What are you waiting for? With our 100% money back guarantee, you have nothing to lose!

FREE MAILING LIST DEALERSHIP!

When you place an order we will include in your package our FREE money making mailing lists dealership that will enable you to earn up to \$500 weekly mailing our list fliers. This is as easy as it gets to making some easy money! Just include our fliers with your mailings and earn commissions everyday!
